Creating Efficiencies at the Hospice Bedside

Bobbi Heimsoth, VP of Sales
Qualis DME Management

ACHCU IS A BRAND OF ACCREDITATION COMMISSION *for* HEALTH CARE

The Background

- Nurses got into hospice to serve patients: not chase DME providers for updates, equipment issues, fixing service problems, etc.

How to Address These Issues

Our Tips for Success:

How to Address These Issues

Focus on providing an ordering Platform that Integrates with Your EMR, reducing friction

How to Address These Issues

Develop a true partnership with your DME vendors, allowing for quick communication

How to Address These Issues

Know your data: what equipment are you ordering and when?

How to Address These Issues

Conduct quarterly business reviews to ensure you're still aligned with your goals
